WELCOME AND THANK YOU 20th Annual Mardi Gras Ball "THE FINALE"

Tonight is bittersweet as we celebrate the annual tradition that is called the Civista Mardi Gras Ball. This year marks the end of an era. This historic annual event began as the brain child of a few ambitious loyal Civista Health Foundation volunteers and has raised extraordinary funds for the Civista Medical Center. Key to the ability to raise money was the twist of having over 100 members of the community vie for the title of King Rex and Queen Mystique.

Many people remember the first balls held at the St. Charles Towne Center. Volunteers waited for the Mall to close and then worked feverishly to re-create downtown New Orleans. Who can ever forget the dramatic entrance as you descended down the escalator to be greeted with a rose? As the event grew, it became obvious that a move in location was needed. In 1997, the transformation of Middleton Hall became a two day affair. Again, volunteers spending uncounted hours creating props, decorating and cleaning. In 2002, the Mardi Gras Committee and the Foundation Board agreed the task was becoming too large for our volunteer group to handle and brought P.W. Feats on board to help produce the event with professional lighting and staging.

The past 19 years have created a tangible history that every single person who has helped shape and mold the Mardi Gras Ball should be most proud to repeat. Over the years we have made great friends and have lost some as well; Capt. Billy Robertson, L.K. Farrall, Kay Davis and most recently Irene Davis.

This year the Mardi Gras Ball is a tribute to all of the hard working King and Queen Candidates and all volunteers that have helped raise \$2,000,000 (net) for the Civista Medical Center.

Thank you for helping us to celebrate this momentous occasion.

Carole Lewis
Tracey Messick

SUPPORTS OUR PARTNER
Civista Medical Center

MEMBER HOSPITALS: Baltimore Washington Medical Center | Chester River Health System | Civista Medical Center
Kernan Orthopaedic and Rehabilitation Hospital | Maryland General Hospital | Mt. Washington Pediatric Hospital | Shore Health System
University of Maryland Medical Center | University Specialty Hospital | Upper Chesapeake Health System

Proceeds from the 2011 Mardi Gras Will Help Fund:

Civista Medical Center.

A facility with compassionate and skilled caregivers that is ready to do whatever it takes to get your family member on the road to recovery and good health. And as a place that puts patients and families first, we stand ready to care for the emergent and acute health needs of our growing community 365 days a year.

In addition to funding the purchase of high-tech surgical instrumentation this year, the Foundation also is focusing fundraising efforts on amenities for those closest to our patients: their family and visitors. New sleep sofas will make patient rooms more comfortable and special enhancements to visitor areas will help make extended visits to the hospital easier.

Civista Health Foundation

The Foundation's mission is "to enhance the financial resources of the Medical Center so it may provide excellent health care services to all members of the community." A non profit subsidiary of Civista Health, Inc., the Foundation is led by an all-volunteer board of directors and a strong core of volunteers dedicated to improving the success of the organization.
